

CULTURE, SUSTAINABILITY, AND THE FUTURE (YOUTH PERSPECTIVE)

Ni Putu Pradnya Lalita Nara (Green School Bali Student)

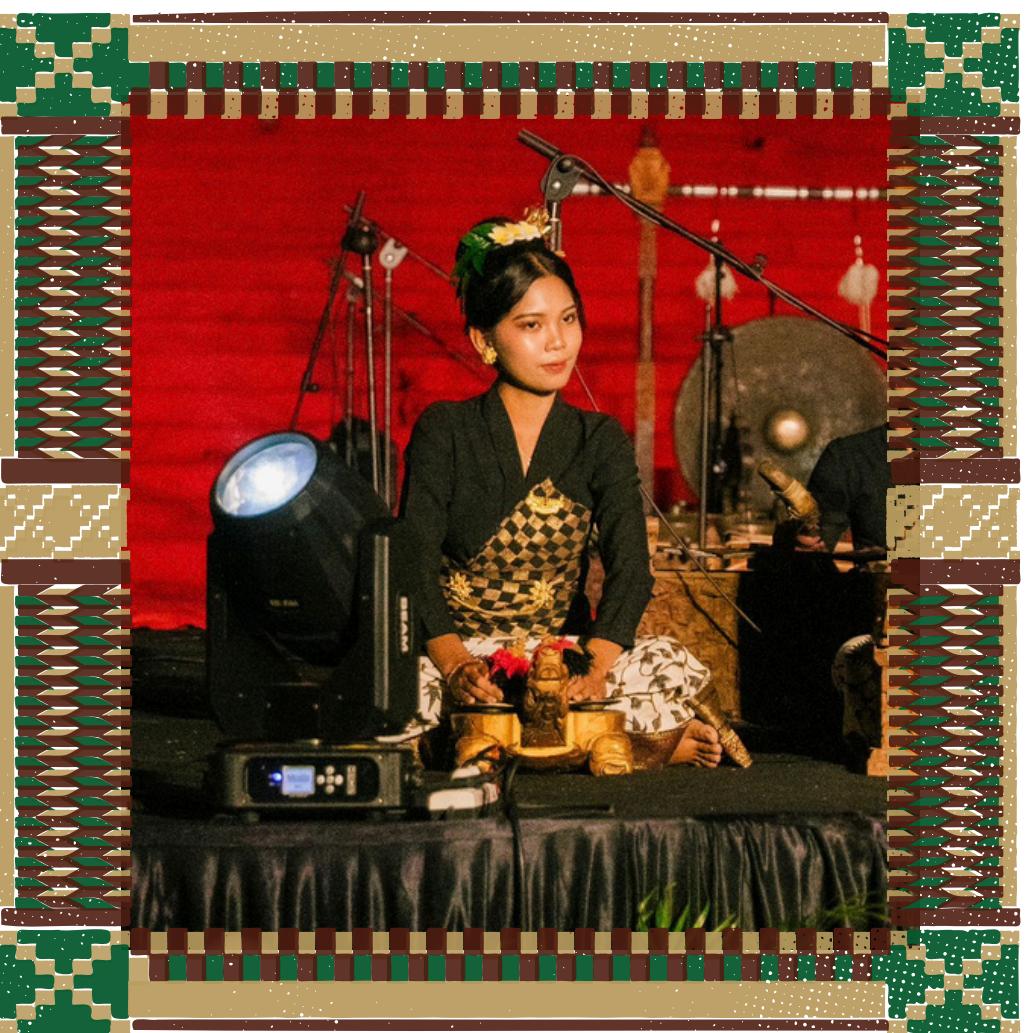

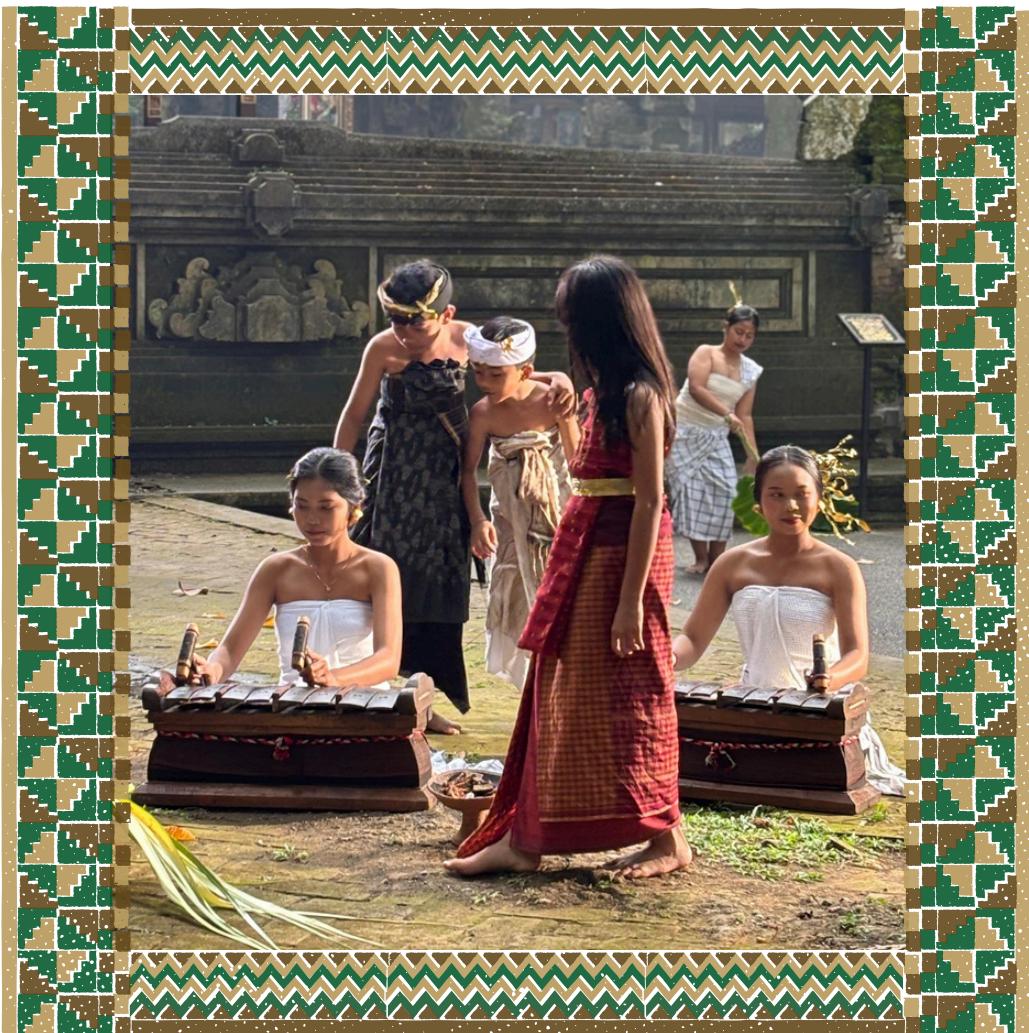

17,508 islands

“Nak Mule Keto”

It has always been like that

Wisdom

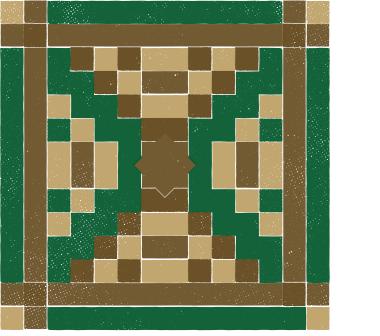

Curiosity

A wide-angle photograph of a lush green rice terrace landscape. The foreground shows a path through the terraces, leading towards a small wooden hut with a red roof. The background is filled with dense tropical vegetation, including many palm trees, under a clear blue sky.

Tri Hita Karana

**Understand the WHY,
preserve the WHAT.**
